### **I. SCOPE OF SOLICITATION**

**ACQUIRE SERVICES (January 2006):** The purpose of this solicitation is to acquire services complying with the enclosed description and/or specification and conditions.

It is the intent of the State of South Carolina, South Carolina Department of Health and Environmental Control (DHEC) to solicit proposals to provide services to design a curriculum/training manual that will be the centerpiece of a certification program for recycling professionals in South Carolina for DHEC, in accordance with all requirements stated herein.

DHEC's Office of Solid Waste Reduction and Recycling (OSWRR), Certification Program is establishing a three-and-a-half day training workshop that will target recycling professionals and other involved in solid waste management from the public and private section. The workshop is to feature 12 or more sessions constructed around a printed curriculum/training manual with chapters or lessons that address specific solid waste issues. A test will be given on the final half day of the workshop. Participants will be required to pass the test for certification.

This solicitation is only for the design of a curriculum/training manual and NOT for conducting the certification workshop.

### **INTRODUCTION/BACKGROUND**

The South Carolina Department of Health and Environmental Control's Office of Solid Waste Reduction and Recycling (OSWRR) was created by the South Carolina Solid Waste Policy and Management Act of 1991 (Act). The OSWRR is designed to provide educational and awareness programs, technical assistance and grant funding to local governments, schools, colleges and universities, businesses and other organizations as well as the public to help South Carolina meet its recycling and waste reduction goals as outlined by the Act.

The OSWRR has developed several nationally recognized programs. The "Recycle Guys" public awareness campaign is used throughout the country. More than 30,000 teachers have been trained on "Action for a Cleaner Tomorrow: A South Carolina Environmental Curriculum Supplement". The OSWRR provides fifth-grade students across South Carolina with a basic introduction to recycling with its highly successful "Action in the Classroom" program. The OSWRR also targets high school driver educational students on the environmental impact of driving with a particular emphasis on recycling used oil, oil filters, and bottles with its high school driver education students on the environmental impact of driving with a particular emphasis on recycling used oil, oil filters and bottles with its highly successful "Green Driver" Program. The OSWRR has won three Emmys for environmental education videos. The OSWRR developed one of the nation's best and most comprehensive programs targeting do-it-yourself oil changers.

In addition, the OSWRR offers training programs to municipal solid waste (MSW) landfill operators, construction and demolition debris landfill operators, MSW transfer station operators, recycling center attendants and backyard composters.

The OSWRR plans to add a recycling professional certification program beginning in the Spring, 2007. DHEC anticipates amending the Act to make certification mandatory for South Carolina recycling professionals.

If this solicitation is an Invitation to Bid, each separate offer must be submitted as a separate document. If this solicitation is a Request for Proposal, multiple offers may be submitted as one document, provided that you clearly differentiate between each offer and you submit a separate cost proposal for each offer, if applicable.

(c) Responsiveness. Any Offer which fails to conform to the material requirements of the Solicitation may be rejected as nonresponsive. Offers which impose conditions that modify material requirements of the Solicitation may be rejected. If a fixed price is required, an Offer will be rejected if the total possible cost to the State cannot be determined. Offerors will not be given an opportunity to correct any material nonconformity. Any deficiency resulting from a minor informality may be cured or waived at the sole discretion of the Procurement Officer. [R.19-445.2070 and Section 11-35-1520(13)]

A bid is materially unbalanced when it is based on prices significantly less than cost for some work and prices which are significantly overstated in relation to cost for other work, and if there is a reasonable doubt that the bid will result in the lowest overall cost to the State even though it may be the low evaluated bid, or if it is so unbalanced as to be tantamount to allowing an advance payment.

RESTRICTIONS APPLICABLE TO OFFERORS (JANUARY 2006) Violation of these restrictions may result in disqualification of your offer, suspension or debarment, and may constitute a violation of the state Ethics Act. (a) After issuance of the solicitation, ***you agree not to discuss this procurement activity in any way with the Using Government Unit or its employees, agents or officials.*** All communications must be solely with the Procurement Officer. This restriction may be lifted by express written permission from the Procurement Officer. This restriction expires once a contract has been formed. (b) Unless otherwise approved in writing by the Procurement Officer, ***you agree not to give anything to any Using Government Unit.***

SIGNING YOUR OFFER (JANUARY 2006) Every Offer must be signed by an individual with actual authority to bind the Offeror. If the Offeror is an individual doing business as a firm, the Offer must be submitted in the firm name, signed by the individual, and state that the individual is doing business as a firm. (b) If the Offeror is a partnership, the Offer must be submitted in the partnership name, followed by the words "by its Partner," and signed by a general partner. (c) If the Offeror is a corporation, the Offer must be submitted in the corporate name, followed by the signature and title of the person authorized to sign. (d) An Offer may be submitted by a joint venturer involving any combination of individuals, partnerships, or corporations. Upon request, Offeror must provide proof of the agent's authorization to bind the principal.

STATE OFFICE CLOSINGS (JANUARY 2006) If an emergency or unanticipated event interrupts normal government processes so that offers cannot be received at the government office designated for receipt of bids by the exact time specified in the solicitation, the time specified for receipt of offers will be deemed to be extended to the same time of day specified in the solicitation on the first work day on which normal government processes resume. In lieu of an automatic extension, an Amendment may be issued to reschedule bid opening. If state offices are closed at the time a pre-bid or pre-proposal conference is scheduled, an Amendment will be issued to reschedule the conference. Useful information may be available at: [http://www.scemd.org/scgovweb/weather\\_alert.htm](http://www.scemd.org/scgovweb/weather_alert.htm).

SUBMITTING CONFIDENTIAL INFORMATION (AUGUST 2002) (An overview is available at [www.procurement.sc.gov](http://www.procurement.sc.gov)) For every document Offeror submits in response to or with regard to this solicitation or request, Offeror must separately mark with the word "CONFIDENTIAL" every page, or portion thereof, that Offeror contends contains information that is exempt from public disclosure because it is either (a) a trade secret as defined in Section 30-4-40(a)(1), or (b) privileged and confidential, as that phrase is used in Section 11-35-410. For every document Offeror submits in response to or with regard to this solicitation or request, Offeror must separately mark with the words "TRADE SECRET" every page, or portion thereof, that Offeror contends contains a trade secret as that term is defined by Section 39-8-20 of the Trade Secrets Act. For every document Offeror submits in response to or with regard to this solicitation or request, Offeror must separately mark with the word "PROTECTED" every page, or portion thereof, that Offeror contends is protected by Section 11-35-1810. All markings must be conspicuous; use color, bold, underlining, or some other method in order to conspicuously distinguish the mark from the other text. Do not mark your entire response (bid, proposal, quote, etc.) as confidential, trade secret, or protected! If your response, or any part thereof, is improperly marked as confidential or trade secret or protected, the State may, in its sole discretion, determine it nonresponsive. If only portions of a page are subject to some protection, do not mark the entire page. By submitting a response to this solicitation or request, Offeror (1) agrees to the public disclosure of every page of every document regarding this solicitation or request that was submitted at any time prior to entering into a contract (including, but not limited to, documents contained in a response, documents submitted to clarify a response, and documents submitted during negotiations), unless the page is conspicuously marked "TRADE SECRET" or "CONFIDENTIAL" or "PROTECTED", (2) agrees that any information not marked, as required by these bidding instructions, as a "Trade Secret" is not a trade secret as defined by the Trade Secrets Act, and (3) agrees that, notwithstanding any claims or markings otherwise, any prices, commissions, discounts, or other financial figures used to determine the award, as well as the final contract amount, are subject to public disclosure. In determining whether to release documents, the State will detrimentally rely on Offeror's marking of documents, as required by these bidding instructions, as being either "Confidential" or "Trade Secret" or "PROTECTED". By submitting a response, Offeror agrees to defend, indemnify and hold harmless the State of South Carolina, its officers and employees, from every claim, demand, loss, expense, cost, damage or injury, including attorney's fees, arising out of or resulting from the State withholding information that Offeror marked as "confidential" or "trade secret" or "PROTECTED". (All references to S.C. Code of Laws.)

(c) Each Offeror must submit the number of copies indicated on the Cover Page. (d) Offerors using commercial carrier services shall ensure that the Offer is addressed and marked on the outermost envelope or wrapper as prescribed in paragraphs (a)(1) and (2) of this provision when delivered to the office specified in the Solicitation. (e) Facsimile or e-mail offers, modifications, or withdrawals, will not be considered unless authorized by the Solicitation.
